

This big bundle is bursting with so many hot Hispanic studs you just might get stopped at the border! It contains nine complete stories, plus bonus content, all so outrageously erotic you're sure to hop your top! Clothes Make the Man - Shredder: Ricky is a sexy Puerto Rican gym rat, who loves wearing shredders -- those sleeveless t-shirts with a partially open side. They're simple, comfortable and make sure everyone can see the fantastic body he spends so much time sculpting. When Ricky makes a new friend at the gym, he doesn't know what he's in for. Jimmy is a handsome young professional who's openly gay, and doesn't mind servicing hot straight meat like Ricky. This outrageous story of man-on-man action is sure to take your breath away! Glory Days: Hector Morez is a former soccer star in his native Mexico, adored by his fans and even by his opponents. But after the ravages of time and stress, he has found himself in the United States, running a soccer camp for children and dreaming about returning to the game he loved on a professional level. Though straight himself, Hector has always been willing to swing the other way, and he pursues relationships with other soccer players throughout his career. Their toned bodies and athletic physiques help him get sexual relief without resorting to a woman. But when he gets desperate for a way out and applies for a coaching position with a pro team, Hector sees the possibility to build a life of his dream. Men of the New Mexico State Prison: Fresh-faced inmate Ryan Timson struggles to find a place in the prison hierarchy, settling into the arms of one of the many macho cholos that fill up the bunks around him. His name is El Oso, and he is proudly heterosexual, dripping with machismo. He never thought he'd come to appreciate a man's caress, but soon discovers that Ryan's skills come in handy behind bars. Together the two explore the depths of masculinity in this passionate tale of jailhouse lust. Cholo Induction Downlow: Raoul is desperate to fit in among los Alcachutres, a powerful Latin gang known for its cruelty, thirst for profit and adherence to old-fashioned traditions like respect for one's elders. He soon learns that there's more to being a loyal Alcachutro than keeping quiet when the cops start asking questions, and Raoul is forced to stoop to outrageously erotic depths in order to make his way in the gang. Will he have the balls to do what needs to be done? He's not sure, but he's about to find out! A Cholo Convict Tale: Raoul Santos goes by El Oso -- The Bear -- and he's become a champion bodybuilder behind bars. He's got the muscles to compete outside of prison, and one guard thinks he's got what it takes to make it happen. But El Oso is ready to give himself an edge no matter what it takes, and when a male-friendly judge agrees to judge in his favor for sexual thrills, El Oso jumps at the chance. He's willing to bend the boundaries of his sexuality for a little sweet release and a chance at a victory in the contest of a lifetime. The Baseball Hick, the Bully and Sweet, Sweet Revenge: Marcus is desperate to get an interview with professional baseball player Wayne Dashen, a redneck with a buff body, a handsome face and a cruel streak. When his plan goes awry, Marcus finds himself in the team locker room being ridiculed and pushed into servicing two of the sweaty jocks around him. The machinations of a thuggish Cuban player complicate the matter, leading to an explosive downlow finale that is sure to sleet your meat! There are four more stories in this ebook, too much and too hot to describe them all here!
