

Bestselling author Shelley Shepard Gray continues her Amish Brides of Pinecraft series with a special addition—a tale of wishing and wanting...and what the heart really needs. Good things may come to those who wait, but Mattie Miller is confident that great things come to those who go after what they want—and Mattie wants Danny Brenneman. Danny is the reason she returned to the sunny Amish community of Pinecraft, Florida—well, that and to see her best friend Leona get married. Mattie met Danny only once before but she knows the spark between them is sure to lead to something special. Despite a missing cat, wedding day chaos, and Danny himself, she's confident this vacation can only end one way: in an engagement of her very own!
