

Declan Jericho is a vampire with a purpose. His best hope for success rests on the shoulders of a brilliant young cancer specialist, but saving the undead isn't exactly the career path Dr. Maya Sheldon has in mind. When Dec kidnaps Maya from work, the last thing she wants to do is help him. Then she discovers what he wants her for: develop a cure for the mysterious illness killing the young vampires in his care. Vampires or not, she's unable to abandon them. Her interest in Dec quickly shifts from professional to something more intimate, but as their attraction grows, darker secrets threaten their newfound relationship. Dec has his own reasons for wanting the young vampires cured, and he's not telling...
