

This series of instructional studies is designed to help develop exceptional technique for timpani. The solos have been created to demonstrate and inspire the full and remarkable breadth of musicality that an accomplished timpanist needs to include in his/her repertoire of skills and expression in playing. The solos can also be used as supplemental material to the simultaneous study of any method book. This collection of 11 intermediate level solos for timpani will help students become experienced musicians by exposing them to many different technical and musical aspects of playing timpani. -Percussive Notes This is an excellent collection of timpani solos that will guide student timpanists to a more mature musical control of the timpani. -James Lambert, The Instrumentalist
