

Patrick Murphy and his three brothers, Ragan, Colin and Logan are having fun living out their dreams in New York City. Their closeness with each other and their beloved mother and father is a crisp picture of the American Dream. However, one dangerous secret separates them from everybody else. They are the leaders of New Yorks Irish Mafia. They fight the Italians for power in the citys dark underworld. When Patrick lays eyes on Ashley Kennedy one night at OLearys she quickly becomes all he can think about but his job as a hotshot attorney takes him away from her and she soon finds comfort in the arms of someone Patrick knows all too well, his brother, Colin. Jealousy and Rage threaten to tear the family apart and a devastatingly tragic strike from the Italians tests their strength and resolve. Fate and time would only tell whether they can band together and be the powerful family they always knew they were. One family. One heart. One bloody road. Four Leaf Road is a story of family, love and sacrifice.
