

Did you know that a Gila monster can live for months without eating?

Incredible Reptiles & Amphibians takes a rare, behind-the-scenes look at 30 fascinating animals living in the wild. Find out how scales, horns, frills, and sticky tongues help these animals survive in their environments. Astonishing, detailed illustrations and fact-packed information from a wildlife expert gives an incredible close-up view of the animal kingdom as you've never seen it before.

Features: Die-cut flaps Colorful, realistic illustrations Glossary and an index In the Wild Life! series young learners can explore different types of wildlife, from wildcats to birds! Each book features realistic illustrations with accompanying short paragraphs that describe the animals and where they live. Simple vocabulary and sentence structure will allow most children to read the books on their own. Collect all 4 titles for your young animal enthusiast!
