

Generations of filmmakers and film audiences have been inspired by the work of Ingmar Bergman. This is the first fully illustrated account of each of his films, from his earliest work in the 1940s to the 1950s that established him as Europe's most important and innovative director. By the 1960s, hardly a year would pass without a new Bergman movie including *The Virgin Spring*, *Cries and Whispers*, *Scenes from a Marriage*, and many more. His production of classics for the stage is also discussed. Illustrated with over 200 photographs and with a bibliography and filmography, this book reveals one of the most astonishing careers in the history of the cinema.
