

Brother Andrews ministry began with smuggling Bibles behind the Iron Curtain. His phenomenally successful book Gods Smuggler was born from that mission. But as communism in Eastern Europe declined, Brother Andrew shifted his focus to strengthening the Christian church within the Islamic world. In a time when a mass exodus of Christians has drained the Middle East of Gods light, Brother Andrew headed into this war-torn land to bring hope and encouragement to those who remained. Light Force recounts the continuing saga of Brother Andrews most recent mission. Through dramatic true stories, readers get an exclusive behind-the-scenes look at real people affected by the centuries-old conflicts in this volatile part of the world. Now readers can join Brother Andrew and fellow Open Doors missionary Al Janssen in their quest to strengthen Gods light in the Middle East. These gripping accounts of Christians caught in the crossfire will captivate readers everywhere.
