

AMISH COUNTRY SECRETS When widowed doctor Ella Jacobsen is attacked and left for dead in her children's clinic, the peace she's found in Georgia's Amish country is shattered. Someone is after something in her clinic and wants her out of the way—but what are they looking for? Ella knows only that her life is in the hands of army special agent Zach Swain. Zach can't resist the vulnerable but headstrong Ella, who stares down danger to care for the people she loves. With one look, the loner soldier goes from investigator to protector. To save Ella, he must uncover the secrets that swirl around the idyllic community. And he needs to do it fast, because Ella is running out of time.
