

Progressive Steps To Rock Drumming is an easy to follow drum tuition book designed to get those started in or progress (as the book title suggests) in rock drumming. The book caters from beginner to intermediate level and also comes with two audio CDs filled with almost 200 excersices and rhythms, all recorded by Luke Coiro on a REAL drum kit (not a programmed drum machine). Theres also tips on getting started in drumming from choosing a drum kit and choosing sticks, etc. A bit about the author: Luke Coiro is a local drummer from Sydney, Australia who has been performing in various original and cover bands around the country for a number of years. He is currently performing in some local cover bands as well and The Led Zeppelin Show (a Led Zeppelin tribute show).
