

Complete with twenty-eight self tests—two of them brand-new—and a new group discussion guide, the expanded and updated Saving Your Second Marriage Before It Starts workbooks for men and women will help couples uncover and understand the unique shaping factors they bring into their second marriage both as men and women and as individuals. Exercises and assignments will help couples identify and meld their love styles, face the myths of remarriage honestly, become soul mates, identify each person's hot topics, and much more. The discussion guide in each workbook integrates with the Saving Your Marriage Before It Starts DVD (sold separately and includes seven pre-marriage sessions plus two additional sessions specifically designed to help prepare couples for remarriage) to facilitate lively and eye-opening interaction. Each session links with the workbook exercises and concludes with exercises each couple can do together between each lesson. <http://www.symbisassessment.com>
