

“You’ll smile with joy turning every page.” Barry Hannah. Reverend Maloney isn’t the world’s greatest spiritual advisor. He drinks gin out of his coffee cup and has sex dreams about the Holy Ghost. His best friend Eli isn’t perfect either, but he’s a chess genius, so Maloney sees an opportunity in traveling around the country so Eli can win major chess tournament after chess tournament (while Maloney pockets Eli’s winnings). Chased by a blind headhunter named Jack Cataract, the Reverend, his girlfriend, and Eli race across North America and around New York City, from Washington Square Park to a jetski ride to the great green gown of Lady Liberty. In this uproariously funny, unabashedly sexy, and highly-anticipated novel, Michael Bible delivers a devastating story about the American South, chess tournaments, and one debauched reverend’s struggle with spirituality. In the spirit of Nicholson Baker and Barry Hannah, Sophia is an adventure with a raunchy and obviously flawed cast of characters, written with enormous heart.

Food Microbiology, Whitakers Shorts 2016: Banking and Finance, Employment Relations: The Psychology of Influence and Control at Work, Religion and Nationalism in India: The Case of the Punjab (Routledge Studies in the Modern History of Asia), Favorite Recipes; Low Calorie Microwave Cooking,
