

Why are some people consistently successful, while others struggle? Why do some organizations take off, while others implode? It's not enough to simply have a plan – the secret lies in having a complete plan that addresses ten crucial elements. If any link is missing, then everything is at risk. In Strategy 360, Randall Bell draws from his extensive experience in dealing with the nation's toughest challenges – from Hurricane Katrina to the disaster at the World Trade Center – to show readers how to craft their own winning game plans. He cuts through the theory, sugar coating, and happy talk about leadership and goal-setting to facilitate a real-world discussion about the ten strategies that generate success. By applying these invaluable tools, entrepreneurs, managers, parents, and others can develop the skills needed to face challenges head-on, and ultimately, to attain new levels of achievement in business and in life.

In Search of a Mission -- How to Be Gods Ambassador -- Audio Series: 360 minutes (The Bible Explorer Series), The Royalist Revolution: Monarchy and the American Founding, Centaur Rising (Christy Ottaviano Books), I Am Warhol: I Am Laura, The League of the Leopard, Donigan Cumming: Open Parody, hidden Agenda, an Article in Vanguard, May 1984, Vol 13 No 4, Norges Stats- Og Retsforfatning I Middelalderen...
