

The object of Super Word Search Puzzles is to find and circle or cross-out all of the hidden words or phrases. Each puzzle contains 30 words with two difficult levels - Easy and hard with 50 puzzles each plus solution at the end. The words may be hidden and read in any of the directions: Vertically, horizontally, diagonally, forward and backward. Youâ€™re provided with a list of words to find within a grid of seemingly - random letters. Every word in the list appears once and only once in the grid. These word search puzzles have been designed to suit any one inclusive of visually impaired, due to its large print lay-out and the high resolution of the interior set-up.
