

Betty Laughlin believes that every American can make their dreams come true, if theyre willing to work hard and dream big. This is the story of her life as she overcame hard beginnings and numerous challenges to find the love of her life and become a successful entrepreneur. Betty has seen America at its best and its worst but even at its worst there is no better country for people who want to make their dreams come true. People of every generation will revel in the positive message she is sharing with young people everywhere in this strikingly honest book.
