

The Recapitulation Diaries: A woman's search for knowledge, truth and meaning that led her into confrontations with the dark side and catapulted her into non-ordinary states of reality. The Recapitulation Diaries are based on a shamanic process that provided the framework for a transformative journey. The author is not a shaman. Like everyone else she is a spiritual being taking the human journey. These books share her intimate experiences, most humbly underscoring the strength of the human spirit and the ability to transcend and heal from even the deepest of woundings. A Note of Caution: Adult material dealing with sexual abuse, entities, and deep explorations of the human psyche. May be disturbing and fear-inducing.
