Objectivity, Noumenal, and Phenomenal. Kant claims that the transcendental investigation has shown our judgments can be objective. For example, when we . All of our synthetic a priori judgments apply only to the phenomenal realm, not the noumenal. (It is only at this level, with respect to what we can experience, that . Noumenon: Noumenon, in the philosophy of Immanuel Kant, the in defending the absolute reality of the noumenal, arguing that the phenomenal world is an. Explain the distinction between the noumenal world and the phenomenal world in The phenomenal world is the world we are aware of; this is the world we. At first I liked the idea of that the noumenal self is free while the phenomenal self is determined by causal laws. It seemed to successfully. Phenomenal and noumenal world are not two types of different world, but two points of view of the same world. Noumenal world is the world as it is.
